

THE 2007-2008 NFL ALL-NAME TEAM

By Kerry Schmidt

02-24-2008

Hey, did you hear about the 10-year old little league kid who flunked a steroid test? NO?

Well, neither did I. It never happened. Just had to keep the steroid s..t alive and well.

So, we finally get to the latest All-NFL name team.

I scanned the names of every player in the league, and put some in groups, some under a certain heading and others just at bull-poop random.

First, let's pay tribute to the royalty in the league.

You have Robert Prince of Buffalo, Eric King of Denver, Napoleon Harris, Kansas City – with a name like that, no wonder they lost, and Jeff King of Carolina. Tending to them was KC's Brian Waiter.

The musical entertainment was supplied by Elvis Dumorvil, Denver, Fabian Washington, Oakland and Sammy Davis (JR) from Tampa.

Keeping the league in a religious mode were Derek Pope, Miami, Dennis Bishop, Green Bay and Christian Favria.

NOTE: There were a few Mohammeds, but screw the terrorists.

There was plenty of food for these giant steroid freaks: Chad Mustard, Denver and teammate Eric Pears.

Titans had some meat with Demitrius Veal, Oakland's Ronald Curry and Carolina's Julius Peppers spiced things up and the Jets' Chris Baker and Houston's Jamie Cook were the chefs.

This next name game group is, well, I don't know what the hell they are, other than an announcer's nightmare.

Cleveland's Dorika Zastudil (what the heck is a Zastudil?); the Bengals' T.J. Houshmandzadele – though to get that name on his shirt, and his teammate Chinedum Nddulkwe (a dumb Chink, I guess).

Titans' Chiddii Iwueoma (no vowels needed here, Vanna). Oakland had a trifecta here: Issiah Ekejijuba, Issiah Kacyvenksii and Nnamdii Asomuga.

Miami has Ikkechuku Nddukwee and something called Corey Lekkerkkerker.

San Diego has a Leqqudu Naanee and a good ole Igor Olshansky; Jacksonville presents Uchee Nwanerrii while Baltimore has Haloti Nqqata and Houston, Amodi (a one cell amoeba?) Okovee.

A few more screwball names: The Bears, like Oakland, have three: Adwealle Oqunoleve, Israel Idonie (he is from Iran) and Babtunde Oshinowowo.

Detroit, Ikakka Alawa-Francis and Idress Bashir (at least you know where he lives).

Here's one that belongs in frozen GB: Kabuur Gbaia-Biamilia. St. Louis has Oshiomogtto Atogwe; Minnesota, Kenechichi Udezze; Giants, Usi Omenyiora, and rounding out the "What the F names is Arizona's, Bhahwoh Jue. Gesundheit!

Now, back to some normal nonsense.

Buffalo: Gibron Haninlow (how they hanging, Gibron?), Tiny Massaquoi (a small pair of ...), Jasons Peter (yes, the first name has an s on it), Corey (can) Mace (you). Their DT, John McCargo is a load and Larry Triplett has an identical twin. Bringing up the rear for the Bills is Ashton Youboty, you booty you!

Cleveland: Darnell Dunkin (donuts), Ryan Pont-Briand (1994, good vintage) and Antwan Peek (he was caught looking at New England's practices).

Cincinnati: A good movie man, Jeremiah Johnson; a guy on the wrong team, Brad St. Louis; Jonathan Fannee –see "booty" above and Dowato Peeko –see Antwan Peek.

OFF THE WALL SPORTS

Denver has Matt Lepsis, which sounds like some kind of disease, and the resident terrorist, Hamaza Abdullah.

Tennessee: Kerry Collins (hey every team needs a “Kerry;” Travis La(atta) Boy and the team’s groundskeeper, Gilbert Gardner.

Colts: Jivar Sorgi – I mention him just so that someone will know him – he’s the backup QB. A real stinker in Devon Aromaashadu, and his smelly partner, Craphonso Thorpe. Justin Snow plays best in summer and Jeff Saturday plays on the wrong day. Ryan (per) Diem has a weird contract and last, but not least, Melvin (faster than a speeding) Bullitt.

NOTE: My spell checker is heating up.

Kansas City: Tyler Thig(pig)pen – see smellers above, Jackie Beetle (Bailey) – Jackie? for a guy’s name?

Boomer Grigsby – hey, gotta have a Boomer on my team, Brian (Muddy) Waters, Alfonse (Daniel) Boone, Tank Tyler (Tank is a great name for a football player). One half of my team’s legal beagles, Ty Law – Atlanta has the other half, Lawyer Malloy. And last but not least for KC, Travis (PeePee) Leffew.

The Raiders give us Seth (Magic) Wand – nothing magic ‘bout them last year.

Also, Jon Condo – lives in a mansion, John Bowie (knife) and Stanford Route (did not rout anyone).

Miami had the gamblers, with Lorenzo and Marty Booker, and another guy on wrong team, Mark Washington. Also, Tuff Harris (just a good football name) and Yeremiah (ring my) Bell.

Patriots: Kyle (a TE, and the OTHER) Brady. Russ Hockstern pawned his SB rings, Ryan O’Callaghan – a great Spanish name and Wesley Britt, from Poland. Plus, Matt Light (was in dark vs Giants) and Tedy Bruschi’ – one of my team’s two beer men!

Jets: Jacob (Fender) Bender and D’Brickshaw Fergeson (just a great name for an offensive lineman). Add in Sione Pouhaha for laughs and one more Kerry – Rhodes, who is very smart, a real scholar.

Pittsburgh has Willie Colon(oscopy), Jeremey Parque (Butter!) and a homo, William Gay. Note: His “partner” is New England’s Randall Gay.

San Diego’s Tyronne Gross really sucks, Andrew Pinook sounds like a type of salmon and (San) Quentin jammer is a good name for a corner back.

Jacksonville gives us Montell (Williams) Owens, Dennis Northcutt, who plays in the South, George Wrightster (his brother is Wrongster), Stocker McDougal – sounds like a movie star or NASCAR guy and finally, Shantee Orr (else).

Baltimore: Devard Darling – hope he’s not the Gay’s darling, Yamon Fiqours _YEA?! Up yours, too! and teammate Ronnie (is not a) Prude.

Houston checks in with Sage (Brush) Rosenfels, Arlis (son of a) Beach – he’s a snow skier. Also, Jeb Putzer – biggest putz of them all, Greg Weary, who never gets tired, Ephrain Salaam – another terrorist, team hair stylist, Shawn Barbour and last but not least, a friend of the Gays. DeMarcus FEGGens.

Atlanta: Brian Leftiocle (he’s right-handed), Alge Crumpler – sounds like some dying moss and one of my favorites, Kynan Forney(cate)! Last one for the Falcons, a player who only plays a little, Kurt Quarterman.

Bears: Garrett Wolfe (on Bears?), who is married to Red Ridinghood. Plus, they have Lousake Polite, who is a real mean bastard and Fontell Mines –hmmm, mines on a field? Whoa.

And their 3rd string QB, Anthony (Annie) Oakley.

Dallas has the movie star, Tony Curtis, Corey Procter (& Gamble) and they have the NFC’s Tank – Johnson.

OFF THE WALL SPORTS

Detroit feeds us Tatum (taco) Bell. And, they have Damien (get's a)Woody, Boss(2nd Beetle)Bailey, and a real star, Paris (Hilton) Lenon and something called Idress (real funny) Bashir.

Green Bay gives us our required Bubba, Bubba Franks, Johnny Jolly – he's always mad at something and an old computer game, Atari Bigby.

St. Louis has Dane Looker, a real ugly SOB and Rob Petitti (bar).

Also, they have a player they can never find, Richie Incognito, plus a twosome - Brand(gets a)Chill because of teammate Chris Draft, and rounding out the Card's contribution is (leaning tower of) Pisa Tinoisanoa.

Minnesota has a couple of players of unknown ethnic origin, Erasmus Jones and Dontarius Thompson.

Saints, bad as usual, have Jermon Bushrod, which is some kind of car part or something, Renaldo Wynn, something they do very little of and Lance Lagree, an old movie star.

The New York Giants, SB Champs. They have my favorite named player who has been captain of my name-team ever since I began. I give you,

Armani Toomer, a designer growth!

They also have Justin(nip and)Tuck and James (the) Butler (did it).

I'm gettin' there, have patience. This is a pain in the butt column to write.

Eagles: A.J. Feely, sued for sexual harassment – against the Gays?

Ryan (see Tim CASTLE, Arizona, below) Moats, Jason Avant (Guard), Michael Gasperson (eats a lot of beans and is always breaking wind), Winston Justice – see Ty Law and Lawyer Malloy and Chris Go(King)cong.

Arizona: (Castle), Jerneme Urban, who lives downtown and Darnell(court) Dockett.

My S.F. 49'ers. Arnaz battle – just a good name for a football player.

C.J. Brewer – with the Pats' Bruschi, the other beer man.

David Baaahs – sheepish bugger and Justin Smiley who is always frowning.

Seattle: Josh Scoobey (Doo), Baraka(Obama)Atkins and Will "Fish Bait" Herring.

Tampa Bay has a few. B.J. Askew (Gesundheit), Aaron Sears(and Roebuck), Jouan Have (and have not), Greg White and Quincy Black, Antoine Cash (always broke) and something called Sabby Piscilelli.

ALMOST THERE, FOLKS. THANK GOD.

Skins: Laddell Betts – see the bookers previous). Anthony Montgomery (Ward), London Fletcher, from Berlin, Randall(Arthur)Godfrey and, Rocky (yo Adrian)McIntosh.

And last, but, well, least or not, who cares, Carolina: Vinny Testaverdi – I only mention him because he is a 44-year old QB and still playing after 21 years in the league. They also have Nick Goings (going gone).

Tha, tha, tha, tha, that's all folks!

As I said, the smoke is coming out of the spell check on my computer.

I hope you enjoyed it, because it took so damn long to research and write it. WHEW!

Definitely time for some single malt scotch! Or, a lot!
